Lexington City Camp

✿

Davidson County Camp

Arts Discovery Camp

is a half-day camp for rising 3rd, 4th & 5th grade students. Every student is enrolled in a visual arts class. Each student then chooses two more classes from the options of violin, piano, guitar, drama, and dance.

Our faculty is composed of professional teachers and artists. The classes are small so each student receives personal attention and instruction.

Local and regional guest artists will also visit each day, giving demonstrations and answering questions from the students.

Arts Discovery Camp is fun for everyone!
